THE CLARITY RESET™

3 Questions to Get Unstuck, Hear God Clearly & Take Your Next Step

Sis, you're not stuck. You may just need clarity.

Have you ever prayed, *"God, what am I supposed to do next?"* You know there's more. You feel the pull. You sense that God is calling you into something different—but you can't quite see the full picture.

So instead of moving, you wait. You overthink. You question yourself. And before long, what started as uncertainty begins to feel like you're stuck.

You don't need the entire plan to take your next step. Sometimes clarity doesn't come before you move. **Sometimes clarity meets you while you're moving.**

YOUR RESET STARTS HERE.

Give yourself a few uninterrupted minutes. Grab your pen. Invite God into the process—and answer honestly.

*"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight." — **Proverbs 3:5–6***

YOUR 3-QUESTION CLARITY RESET™

Before you write, pray: God, quiet every voice that isn't Yours. Give me wisdom to recognize what's keeping me stuck, clarity to see what You're showing me, and courage to move when You say move. Amen.

QUESTION 1

WHAT IS CREATING THE MOST CONFUSION IN MY LIFE RIGHT NOW?

Don't write what sounds good. Write what's true. Is it your career, purpose, a transition, fear, too many ideas, other people's expectations—or something God has already told you to do?

CLARITY CHECK

What am I trying to figure out that God may be asking me to surrender?

QUESTION 2

WHAT DO I ALREADY KNOW?

What has God already shown me? What keeps coming back to my heart? What have I postponed because I'm waiting to feel completely ready?

CLARITY CHECK

Am I actually confused—or am I afraid to move on what I already know?

QUESTION 3

WHAT IS ONE STEP I CAN TAKE NOW?

Not ten steps. Not the entire five-year plan. One step. What can I do within the next 24–72 hours that moves me toward what God has been showing me?

CLARITY CHECK

My next step is _____ I will complete it by _____

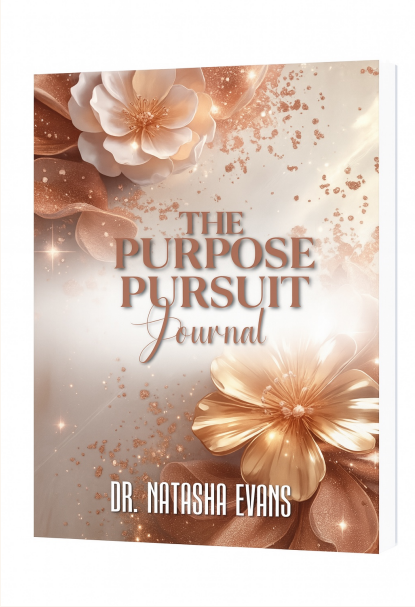

MY CLARITY DECLARATION

I don't need to see the whole staircase to take the next step. **I will trust God with what I cannot see and steward what He has already shown me.**

CLARITY IS THE BEGINNING. NOW IT'S TIME TO MOVE.

You identified the noise. You acknowledged what you already know. And you chose your next step. **That's clarity.**

But many women have a moment of clarity and never build a practice of movement. I don't want this to become another worksheet you complete, feel inspired by, and forget. **I want you to move.**
